Welcome Message

We have now posted a list of our current and future season shows in the Mill. In the hopes of having a few shows that you don't already know about, this list is designed to be a more modest and a more restricted selection, with each show being as good as the last for sure. A short list is a kind of statement of faith that we can do it all.

Stand up comedy – musical theatre – opera – and why not? We're live in the studio.

We're looking forward to seeing you all.
